

Project: 156 West End Lane, London NW6
Artic Delivery
13/12/2022

Dear CWG Members

Please be advised that we have had a break down of large plant on site this week and this plant is being replaced this morning, the delivery is via an artic lorry which is being controlled by our traffic marshals with the marshals implementing the correct barriers and marshalling pedestrians and the general public during these loading / offloading operations.

We apologise for any inconvenience caused during these operations.

If you have any questions regarding the works please let us know. We thank you for your continued cooperation during these works.
